## **ECONANADOLU**

Developments in Economic Theory,  
Modelling and Policy

**Dear Colleagues;**

The Department of Economics of Anadolu University is organizing its first International Conference in Economics to be held in Eskişehir, Turkey on 17-19 June 2009. Please visit <http://econ.anadolu.edu.tr> for further details about the conference.

The conference aims at bringing together scholars from all over the World for exchange of ideas, discussion of recent results within theoretical and applied economics research and creating a research network for future joint collaborations.

The Conference program includes plenary sessions, panels, and presentations of contributed papers. The conference is open to all line of theoretical and empirical research in economics.

### **Abstract Submission:**

An abstracts of not more than 200 words in English should be submitted by online form at <http://econ.anadolu.edu.tr> before 1 March 2009. Abstracts should also include 2-3 JEL codes of the research. All fields of specialization within economics will be considered. Authors will receive a notification by e-mail about acceptance/rejection of their research by 20 March 2009.

### **Calendar:**

Abstract Submission due date: 01 March 2009  
Decisions made by: 20 March 2009  
Full-paper submission due: 01 May 2009  
Registration: 01 May 2009  
Announcement of the program by: 15 May 2009

### **Registration:**

Registration deadline to the conference is 01 May 2009. The registration fee of €100 covers all conference materials, welcome reception, conference dinner, lunches and coffee breaks. The registration fee is €50 for paper presenting graduate students. Registration to the conference is also possible after 15 May 2009, but the fee is 50% higher.
